

Native Plant Society of Northeastern Ohio

2023 Grant Announcement

The Native Plant Society of Northeastern Ohio is accepting applications for our 2023 Grant(s). We will consider projects that demonstrate excellence in research, conservation, or education that clearly support the mission and goals of the Native Plant Society of Northeastern Ohio (NPSNEO).

Our Mission

To promote the study, appreciation, and conservation of the native plants and native plant communities of Ohio.

The Native Plant Society Goals

- To promote native plant conservation through habitat protection and other means;
- To foster public knowledge and appreciation of native plants;
- To support proper ethics and methods of natural landscaping;
- To encourage surveys and research on native plants and publication of findings; and
- Cooperation with other programs and organizations concerned with the conservation of natural resources.

The amount of each grant will be up to \$500.00. The number of grants available will depend upon funding. The grant awardee(s) will be invited to attend the Native Plant Society's 2023 annual meeting to accept their award. Public announcement of the grant(s) awarded will take place at the 2023 annual meeting of the Native Plant Society on Saturday, November 4, 2023.

Application and Submission Requirements

Deadline for submission is 5:00 p.m. on Friday, September 15, 2023

Your grant application must include the following:

- Contact information: name, phone number, email, and postal address;
- Project summary; and
- Outline how grant money will be used.

Email your application to: nativeplantsocietyneo@gmail.com with the subject line: "NPSNEO: 2023 Grant Application".

Grant applicants will be notified of the status of their application by Friday, October 13, 2023.
